

A MESSAGE TO OUR COMMUNITY

Bundanon Trust puts the health and safety of visitors and staff as its highest priority. We are closely monitoring all information and advice relating to COVID-19 and have decided to temporarily close to the public.

As we adapt to the current COVID-19 health emergency in Australia, we will continue to share our collection and property and connect with audiences through digital initiatives.

If you are seeking information on COVID-19 visit [health.gov.au](https://www.health.gov.au) or call the Australian Government Department of Health Coronavirus Information Line on 1800 020 080.

Bundanon Trust will continue to follow relevant advice from the Australian Government Department of Health, DFAT and NSW Department of Health to prevent the spread of COVID-19.
